2009 Community Supported Agriculture (CSA)

A CSA consists of a weekly bag of seasonal produce by subscription.

The advantage is that each subscriber will have a say in what produce is grown.

Produce Provided

May – October
(24 weeks)

Cost

\$ 600 for the season
(\$25 a week)

A weekly vegetable/fruit share is intended to feed 2 adults.

Optional Egg Share

\$ 90 for the season
(\$3.75 a week)

One “egg share” includes one dozen free-range eggs per week.

Optional Fruit Share

\$ 120 for the season
